## WORSE THAN DEADLY POISON GAS

Kidney disease is no respecter of persons. It attacks young and old alike. In most cases the victim is warned of the approaching danger. Nature fights back. Headache, indigestion, insomnia, lame back, lumbago, sciatica, rheumatism, pain in the loins and lower abdomen, difficulty in urinating, all are indications of trouble brewing in your kidneys.

When such symptoms appear you will almost certainly find quick relief in GOLD MEDAL Haarem Oil Capsules. This famous old remedy has stood the test for two hundred years in helping mankind to fight off disease.

It is imported direct from the home laboratories in Holland, where it has helped to develop the Dutch into one of the sturdiest and healthiest races in the world, and it may be had at almost every drug store. Your money promptly refunded if it does not relieve you. Be sure to get the genuine GOLD MEDAL Brand, in sealed packages, three sizes.

## THETFORD

Death of Ida Wise from Pneumonia—Two Others in Family Sick.

Ida Wise, the 18-year-old daughter of Mr. and Mrs. W. F. Wise, died Tuesday afternoon from pneumonia, following influenza. She was a girl of much promise, a member of the senior class in the academy. Of her it may be truly said, "None knew her but to love her, none named her but to praise." The funeral was private, from the house, on Thursday afternoon. A profusion of flowers testified to the esteem of relatives, neighbors and friends, all of whom are sharers with the bereaved family in a loss which seems irreparable, and whose sympathy lacks words for expression. Two others in the family are sick. George, who recently returned from the navy, and who was the first to have influenza, is now suffering from abscesses, which require his going to the hospital. Grace, the youngest, is suffering from influenza. Mrs. Lyman from Norwich and Mrs. Pattrell of North Grafton, N. H., sisters of Mrs. Wise, are with her.

Lawrence McKnight is a victim of tonsillitis.

There was a meeting of the centennial committee and trustees of the academy Tuesday evening, March 25, at the home of Miss Margaret Fletcher. The date, June 27, was decided upon as most generally acceptable. General plans for the program were also accepted.

Everyone gave my son up to die, but PE-RU-NA saved him. My son was born with catarrh of the stomach and at sixteen he was poisoned in a picture works. They treated him for everything but he grew worse. We were told to take him to the hospital for treatment. Being poor we could not do this. About that time, I saw PE-RU-NA advertised in an almanac.
